iTracs[®]

a service of Investors Title

COMMITTED TO YOUR SUCCESS

Investors Title is **committed** to helping you build a **profitable**, self-sufficient business by providing **solution-driven** services and tools.

What is iTracs?

iTracs, our proprietary trust account management service, offers solutions that save you time and help you maintain compliance with less effort on your part. iTracs offers four basic services: Consulting, Reconciliation, Reporting and Monitoring, and Positive Pay Automation.

Peace of Mind

iTracs helps you manage the risk of your trust account through ongoing account reconciliation, monitoring of your account activity, and daily reporting. Gain peace of mind that comes from knowing your trust account is secure.

Compliance, Simplified

iTracs offers trust accounting services customized to meet the needs of your business, including reconciliation solutions that help you comply with state bar rules and ALTA Best Practices.

Customer Service

As an iTracs customer, you will receive excellent service from a team of experienced professionals. You can count on us to listen carefully to your requirements and tailor an individual solution that fits your business. And we're always here to help if you need us!
